A difference you need to experience to believe.

- **Drivege® Quiet Ride™** – Drivege's proprietary technology delivers an accessible Dodge Grand Caravan with the performance and comfort of an unconverted minivan.
- **4-year Conversion Warranty** – The one and only four-year or 50,000-mile consumer-use conversion warranty.
- **Beautifully Accommodating** – Designed to preserve showroom aesthetics while providing a spacious interior for optimal maneuverability.
- **Easy Accessibility** – A power fold-out ramp is operated by a dedicated key fob. The fold-out ramp override allows manual operation in the event of power failure or an emergency.
- **Structural Integrity** – Durable, stainless steel wheelchair ramp and floor are rust resistant. The ramp can handle up to 800 pounds.
- **Durable Flooring** – Commercial grade rubber flooring provides improved wheelchair maneuverability and is easy to clean and maintain.
- **Convenient Step Flares** – Make getting in and out of vehicle easier, and the van maintains 4.6" of ground clearance for greater stability and handling.
- **NMEDA MQAP Approved/CERTIFIED** – Drivege is accredited by the National Highway Traffic Safety Administration and the National Mobility Equipment Dealers Association (NMEDA).
