

Ford Maverick Work Truck

FORD TRUCK: COMPACT

MODEL YEAR: 2024

MODELS: XL & XLT

Meet The Truck That Goes Where Work Trucks Haven't Gone Before!

Introducing the new Ford Maverick Work Truck

Ford Maverick

A nimble light truck that's **(up)fit** to work **(for you)**.

A Ford Maverick upfit by Driverge is the perfect vehicle for fleets working in crowded environments or transporting smaller items that need to be well organized.

The optional rear seat conversion with in-floor storage adds 36 cu/ft of storage behind the front seats.

Fiberglass and Aluminum Work caps with built-in storage by ARE, LEER, and others.

A poly partition that works with OEM air bags; partition can go behind the front-row seats allowing for work storage against the bulkhead.

Ford Maverick Work Truck

FORD TRUCK: COMPACT

MODEL YEAR: 2024

MODELS: XL & XLT

Where Versatility Meets Maneuverability

Sedan-like comfort and performance will get your crews in and out of congested urban environments while the modified interior can be upfitted with a wide variety of inserts from a variety of leading brands.

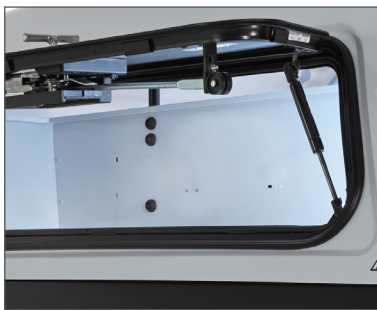

Additional In-Floor Storage

Poly Partitions
(works with OEM airbags)

Sliding Cargo Trays

Cabinet Drawers

As a Ford PRO™ Upfitter, Diverge conversions meet or exceed Ford's standards for safety, fit, and finish. And your OEM warranty protection will not be affected.
