Commercial Mobility and More

Thanks to Driverge's exclusive FlexFlat™ ramp system and fold-and-spin third row, in seconds operators can create more ambulatory seating or storage space depending on the situation. FlexFlat folds out for wheelchair loading or folds flat to increase space for cargo.

Second Row Flexibility

The optional second row center seat allows for three passengers while maintaining OEM "stow and go" or "easy slide" functionality.

The Chrysler FlexFlat 7

The Pacifica-Voyager Wheelchair Accessible Vehicles maintain factory appearance, handling and performance.

- Half-cut, rear-entry, ADA Compliant
- Multi-position FlexFlat™ ramp system
- Fold-and-spin third row for wheelchair access or cargo space
- FMVSS and CMVSS compliant
- CARB approved
- 30" wide, 800-pound capacity ramp
- 56" rear entrance opening
- Electric restraints optional
- Standard equipment includes:
 - 36-month vehicle and upfit limited warranties
 - Apple CarPlay™, Android Auto™, Bluetooth, rearview camera and more...
