## Exclusive FlexFlat Ramp Option... Converts in Just Seconds!

**FLEX  FLAT**  
by Driverge

Ramp deployed for wheelchair access.

Installed in hundreds of vehicles since 2014, our exclusive FlexFlat ramp system is an innovative design that folds flat when not in use. It's there when you need it, and folds out of the way when you don't. FlexFlat creates a usable deck that's perfect for luggage, boxes, golf clubs and more.

FlexFlat ramp in vertical stowed position.

Ramp folded forward with flat deck.
