VEHICLE INNOVATIONS

DODGE GRAND CARAVAN  
**REAR ACCESS WAV**

**The country's best-selling minivan is made accessible for taxi, transport, healthcare and more!**

*A full cut floor is shown with two 2nd row fold-out bucket seats. The 2nd row seat on the left is in its folded, stowed position.*

This popular wheelchair accessible minivan provides for a variety of seating capacity options to meet your ADA transport and ambulatory passenger needs. Driverge's Dodge GC full cut conversion comes standard with (2) bucket seats in the 2nd row – with an optional 3-passenger 2nd row bench and 3rd row 2-passenger flip seat.

### **Dodge Grand Caravan Full Cut Features**

- Fully ADA and FMVSS compliant
- Successfully crash tested for impact safety requirements
- Can hold 2 wheelchair passengers or up to 7 ambulatory passengers, including driver
- Easy to use, maintenance-free ramp system
- Industry leading ramp capacity of 1,000 lbs.
- Impressive 22 MPG average in combined driving
- Meets Buy America Act provisions
- Front and side-impact airbags for driver and front passenger, plus side-curtain airbags in back
- Available on new and used Dodge Caravans having low mileage
- FlexFlat ramp conversion option for flat cargo area
- Short cut version for one wheelchair position also available

### **Available with Exclusive FlexFlat Ramp**

Driverge's innovative FlexFlat ramp is a popular option to consider. It creates a usable flat cargo space like a standard minivan when. Ask us for pricing information if this option would be beneficial for your business.
