VEHICLE INNOVATIONS

FORD & RAM
AMBULETTE/GURNEY VANS

SMARTFLOOR™
Compatible

Wall mounts made of tough steel construction have an oversized rail clamp that keeps the cot stable.

Floor mounts with antler design helps minimize effort required for loading and unloading.

Available on the Ford Transit and Ram ProMaster

- Stryker or Ferno removable gurney mounts
- Altro non-skid commercial flooring
- Wheelchair lifts with up to 1,000 lb weight capacity
- Retractable wheelchair tie-downs with storage bags
- Entrance grab handle for safer entry and exit of ambulatory passengers
- First aid kit & 5 lb. fire extinguisher
- Meets all FMVSS compliance requirements

Additional Options

- SmartFloor flexible flooring and seating system
- Wheeled seat bases for quickly changing or removing seats
- Oxygen bottle holders
- Wheelchair storage rack
- Gurney storage rack
- Slide-out rear step
- Overhead grab rails

Minivans

- Available on the Dodge Grand Caravan (long cut)
