

Ideas made to move people

Mercedes-Benz Sprinter

Ford Transit

Make A Great First Impression

The Drivege® Impression Series

Built on either the Mercedes-Benz Sprinter or Ford Transit platforms, our Impression Series transporters combine sophistication and style with cost-effective functionality. The Impression Series provides affordable luxury and will make an excellent addition to any limousine, charter, coach service or shuttle fleet.

- Spacious seating for up to 15 passengers provides comfortable, safe travel for every type of ride or excursion
- Trieste leathermate reclining seats offer sophisticated relaxation
- LED ambient lighting and Euro-style reading lights for personal use
