MERCEDES-BENZ SPRINTER
SMARTLINER™ WAV

Driverge's Smartliner™ Wheelchair Accessible Van (WAV) offers all the safety, comfort and reliability found in the Mercedes-Benz Sprinter.

Features

- Seating for nine passengers plus two wheelchairs, including driver
- SmartFloor™ innovative flooring system with Altro non-slip commercial floor covering
- Positions for up to two wheelchairs
- Power wheelchair lift with 800 lb lifting capacity mounted at rear doors
- 7 rear black leatherette seats matching front OEM seats
- Sleek black side steps at the driver door and sliding passenger door
- Stainless steel stanchion grab pole at side sliding door entrance for easier entry
- LED lights throughout the cabin and side step well
- 6 removable seats can be used in wheelchair area
- Mercedes-Benz ship-thru services

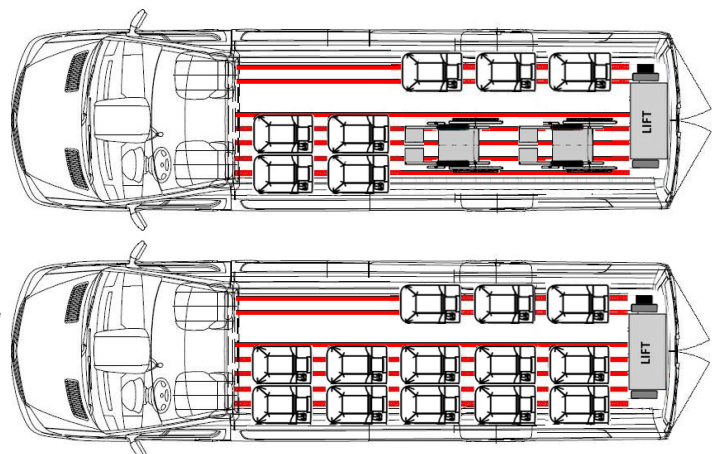

The SmartFloor system provides for quick and safe wheelchair securement.

Stanchion grab pole at side entry and LED lighting in step well.

Top: Smartliner seating layout with two wheelchair positions.

Bottom: Six removable seats can be used in place of wheelchairs for seating up to 15.
