VEHICLE INNOVATIONS

MERCEDES-BENZ SPRINTER  
**IMPRESSION SERIES**

### Sophistication and Style

Our Mercedes-Benz Impression Series transporter combines sophistication and style with cost-effective functionality. From resort guest transportation to guided tours, and everything in-between, its unlimited uses will make it a popular addition to any fleet.

### Impression Features

- Spacious seating for up to 15 passengers (including driver) provides for comfortable, safe travel for every type of ride or excursion
- Trieste leathermate reclining seats offer sophisticated relaxation
- High-capacity roof-mounted air conditioning cools the entire cabin
- Luggage divider w/optional shelf for safe and efficient cargo storage
- LED ambient lighting and Euro-style reading lights for personal use
- Lower interior sidewall lighting provides added safety and style
- Non-skid, wood grain vinyl flooring for look appeal and simple clean-up
- Dual USB ports located at each seat lets riders charge mobile devices
- Power entryway running board lowers step height for smoother entry
- Entry assist handles and LED entry lighting for safer boarding
- Rear molded step provides easier stowing and removal of luggage
- Emergency exit roof hatch (as required by seating capacity)

Ideas made to move

*Our Mercedes-Benz Impression Series includes a partition wall and shelf, providing ample room for passenger luggage.*

**Driverge and Mercedes-Benz**

Driverge is one of the country's leading builders of commercial shuttles and accessible vans. We have been recognized as a Mercedes-Benz MasterSolutions provider since 2016 and offer ship-thru capabilities with Mercedes-Benz Dealers. In addition to the Impression Series, we also offer Sprinter Shuttles, ADA compliant Metris wheelchair accessible vans, and our Metris Business Line Mobile Office.

Driverge is the only Mercedes-Benz MasterSolutions manufacturer that specializes in creating people moving vehicles. All of our vehicles meet or exceed FMVSS and NHTSA standards.
