MERCEDES-BENZ BUSINESS LINE MOBILE OFFICE

**MASTER
SOLUTIONS**

Providing Workspace Flexibility and Comfort

Driverge's Business Line adds mobile office functionality to the stylish and spacious Mercedes-Benz Metris. Luxury swivel seats installed on our exclusive floor track can quickly create a mobile conference room in a matter of minutes.

With large van capabilities and operational cost efficiency, a Metris Business Line is the premier choice for executives and mobile personnel needing to maximize their time.

Metris Business Line Features

- 6 passenger seating with luxury leatherette seats
- Durable fold-out table and storage compartment
- Swivel seat bases allow for on-the-go meetings
- OEM Electronic sliding door package
- Slip-resistant Altro woodgrain floor covering
- 180-degree double swing-out rear doors
- Enhanced AC system with automatic climate control
- Rear view camera, blind spot assist and electronic adjustment
- Hands-free Bluetooth® mobile phone functionality
- Multifunction steering wheel and premium display package
- USB 2.0 & AUX audio jack with AAC/MP3/WAV/WMA playback

The Metris Business Line comes with a custom engineered fold-out center-aisle table and integrated storage compartment.
